

Required Textbooks for Radiography-Fall 2018

Note: Online resources such as the Mosby's Radiography Online (MRO) modules come with a code to access the material electronically. The code can only be used once! Do not buy these modules "USED" unless you are absolutely sure they have not been accessed. Do not activate these resources until told to do so by the course instructor. The instructor will tell you if you will be accessing via BlackBoard or the Evolve website.
